

***We are Excited to Announce PAGES Parenting Series #2***

Thank you to all those who participated in our first Parenting Series. We received some great feedback and suggestions on different topics ideas which we have included below.

As a reminder, all sessions are free and open to the public and will be held at our Beverly Office (30 Tozer Rd). Please refer to our Facebook Page for any updates to the sessions.

Please RSVP to [kgendron@pags.com](mailto:kgendron@pags.com) if you plan to attend since space is limited. And please spread the word!

We hope you can join us!

Please join the staff at Pediatric Associates to discuss parenting topics ranging from newborns to teenagers. This is an opportunity to hear about topics pertaining to your child, ask questions and have an open dialogue with other parents. All sessions are from 6:30 to 8 pm at our Beverly Office located at 30 Tozer Road.
